Dear Dad,

Well we haven't got much longer at this dear old school but lets make the most of it.

I've truly enjoyed our years here together even though we have had a few fights.

May the best of everything be yours in the years ahead of you.

Love
Shirley

Dear Daddy,

I really have enjoyed going to school with you these past years. You are a wonderful person and a very nice date. I have really enjoyed going with you at school and away from school. I'm sorry that you are to be leaving our little family here at Olaton. I wish you all would be with ~~you~~ us next year. It would surely be a lot more fun if you could be. I hate to see your class go because they always seem so full of fun and energy. I know you will succeed in anything you undertake. I hope you find a nice girl and get married and have as many cute little kids as you want.

Love always,
Gayle Nanny

Always a friend
